

the whole reason i got XM was to be able to listen to what i want when i want. Which is also the reason why i chose to pay the 9.95 a month to have that kind of freedom. I don't understand how someone can tell us what we can listen too. I strongly oppose NAB's petition 04-160 because we live in America and i beleive we have the right to make decisions ourselves. I thought that's what freedom of speech was...
